

There is no doubt that Canada is one of the best countries in the world. Please take note of the following before you begin the admission process;

1. Jobs are available in Canada, so working while studying is very easy.
2. Students can only work outside campus after 6 months upon arrival in Canada. But they can work on campus anytime.
3. You will be entitled to a 1 year working permit in Canada after completing one academic year program in Canada.
4. You will be entitled to a 3 year work permit after you have completed a 2 year or more Academic program in Canada.
5. You can apply for a residence permit after you have completed 12 months of full time work in professional or skilled job. Please refer to CIC website for more information on this.
6. As a student, you are entitled to work for 20 hours per week during academic session but you can work as much as you want during holidays.
7. To get admission into a University as an undergraduate, you need to have A's, B's and high C's in your O-Level result (Academic courses). For Masters, you will need to either have a first class or a second class Upper degree.
8. To get admission into a College, you will need C's in your academic courses. Inclusively, Students with second class lower or third class will have to do post graduate course instead of masters. Please contact us for advice.
9. The Embassy will require you to submit other documents which can strengthen an application if there is a gap after applicant's last study. Exhaustive evidence of what an applicant did during that period must be submitted. If an applicant continued his/her studies but have not graduated, was employed, or did charity, or travelled or was involved in self education or the like, STRONG proofs should be presented (transcripts from university, letter of appointment, letter from employer, payslips, ID cards, photographs, receipts etc). We will discuss these as time goes on with the application process.
10. It is advisable that the Bank statement of the sponsor should have a balance of nothing less than 4 million naira and it must have a proper inflow per time. This is very important. Sponsor should be either father, mother or sibling. We will discuss this section as we continue with the process.
11. Please note that the entire visa and admission process takes between 4 to 6 months (They have promised to reduce this duration but lets still put at 6 months). So intending students must be very patient. If you must study in one of the best countries in the world, you should be patient enough for it.
12. Our fee is \$750 (Seven Hundred and fifty Dollars). This fee includes the Admission/Application fee, Documentation by the Ministry of Education and the Ministry of

Foreign Affairs in Nigeria, Notarization of Documents. We will guide you through the entire process.

We might not be able to share all the information here, but you can contact us if you have more questions.

WE HAVE SO MANY COLLEGES AND UNIVERSITIES TO CHOOSE FROM. PLEASE GO THROUGH ALL THE UNIVERSITIES AND COLLEGES BELOW AND MAKE YOUR CHOICE. However, we can help you make the best choice if you so desire; PLEASE READ CAREFULLY.

TRINITY WESTERN UNIVERSITY

Trinity Western University is known for outstanding academics, a vibrant learning environment and a diverse community. With an average class size of 17, TWU will provide what you need for academic and social success. The University is ranked as the best in Canada among 53 universities and colleges surveyed for "Enriching Educational Experience," based on Macleans' compilation of the National Survey of Student Engagement. TWU is Located in Langley, British Columbia, the university combines a balance of urban convenience and natural beauty. Safe and clean, Langley is located 45 minutes from downtown Vancouver and 2.5 hours from Seattle.

International students can work off-campus while studying at Trinity Western and have an option of working in Canada for up to three years after they graduate.

UNDERGRADUATE PROGRAMS; (BA, B.Sc., BBA, B.Ed., BHK)

- Applied Linguistics
- Applied Mathematics with Computer Science
- Art
- Biblical Studies
- Biology
- Biotechnology
- Chemistry
- Christianity and Culture
- Communications
- Computing Science
- Drama
- English
- Environmental Studies
- European Studies
- Fine Arts
- General Studies
- Geography
- History
- Humanities
- Human Services
- Inter-Cultural Religious Studies
- International Studies
- Linguistics
- Mathematics
- Modern Languages
- Music
- Natural and Applied Sciences
- Nursing
- Philosophy
- Political Studies
- Psychology
- Religious Studies
- Social Sciences
- Sport & Leisure Management
- Theatre
- Business
- Education
- Human Kinetics

POSTGRADUATE DIPLOMA PROGRAMS:

- Master of Business Administration (MBA)
- Biblical Studies (MA)
- Business Administration (iMBA)
- Counselling Psychology (MA)
- Interdisciplinary Humanities (MA)
- Leadership (MA)
- Linguistics (MA)
- Teaching English to Speakers of Other Languages (MA)
- Nursing (MSc)

Tuition: \$22,260 (Students are entitled to scholarships of between \$2,000 to \$7,000 if they have very good grades; results have to be Evaluated first).

Standard Housing and Meal Plan: \$7,550

Books and Supplies: \$1,200

General Fees: \$338

N.B- Full-time 1st and 2nd year students under the age of 21 not living at home are required to live on-campus.

UNIVERSITY OF MANITOBA

The University of Manitoba, is a public university in the province of Manitoba, Canada. Located in Winnipeg, it is Manitoba's largest, most comprehensive, and only research-intensive post-secondary educational institution. As a student of U and M, you'll also benefit from real life innovators in the classroom, more undergrad research opportunities, and more chances to meet, learn from, and become one of tomorrow's leaders.

N.B- A minimum of **C6** in English and **C5** in three other academic course is required (Please note that Yoruba and CRK and PHE are not academic courses).

Undergraduate Programs;

- Bachelor of Science in Agribusiness
- Bachelor of Science in Agriculture
- Bachelor of Science in Agroecology
- Bachelor of Science in Food Science
- Bachelor of Environmental Design
- Bachelor of Fine Arts (Honours)
- Bachelor of Fine Arts (Honours) (Art History)
- Bachelor of Fine Arts
- Bachelor of Fine Arts (Art History)
- Bachelor of Art, Diploma in
- Bachelor of Arts (Honours)
- Bachelor of Arts (Advanced)
- Bachelor of Arts
- Bachelor of Arts (Integrated Studies), Bachelor of
- Bachelor of Science in Dental Hygiene
- Dental Hygiene, Diploma in
- Bachelor of Science in Dentistry
- Bachelor of Education
- Bachelor of Music/Bachelor of Education (Integrated)
- Bachelor of Science in Engineering (Biosystems)
- Bachelor of Science in Engineering (Civil)

- Bachelor of Science in Engineering (Computer)
- Bachelor of Science in Engineering (Electrical)
- Bachelor of Science in Engineering (Manufacturing)
- Bachelor of Science in Engineering (Mechanical)
- Bachelor of Arts in Geography (Honours)
- Bachelor of Arts in Geography (Advanced)
- Bachelor of Arts in Geography
- Bachelor of Environmental Science (Honours)
- Bachelor of Environmental Science (Major)
- Bachelor of Environmental Science
- Bachelor of Environmental Studies (Honours)
- Bachelor of Environmental Studies (Major)
- Bachelor of Environmental Studies
- Bachelor of Science in Geological Sciences (Honours)
- Bachelor of Science in Geological Sciences (Major)
- Bachelor of Science in Geological Sciences
- Bachelor of Science in Physical Geography (Honours)
- Bachelor of Science in Physical Geography (Major)
- Bachelor of Health Sciences
- Bachelor of Health Studies
- Bachelor of Human Ecology (Family Social Sciences)
- Bachelor of Human Ecology
- Bachelor of Science (Textile Sciences)
- Bachelor of Science in Human Nutritional Sciences
- Bachelor of Kinesiology
- Bachelor of Physical Education
- Bachelor of Recreation Mgmt & Community Development
- Bachelor of Laws
- Bachelor of Commerce (Honours)
- Bachelor of Medical Rehabilitation (Respiratory Therapy)
- Bachelor of Nursing BPRN
- Bachelor of Science in Pharmacy
- Bachelor of Computer Science (Honours)
- Bachelor of Science (Honours)
- Bachelor of Science (Major)
- Bachelor of Science
- Bachelor of Social Work

Tuition fees: \$12,000 (You can get scholarships of up to \$2,000, depending on your result).

Books and Supplies: \$1,800

Residence: \$8,000

COLLEGE OF ROCKIES

College of the Rockies is a member of the British Columbia public college/university system. It was established in 1975 and currently over 2,700 students at the moment from over 25 countries. The College received high honours in a 2012 survey of international students with an overall rating of number one in Canada and number two in the world. The cost of living is lower than other parts of Canada and it is a very nice place with good environment of study.

UNDERGRADUATE PROGRAMS;

- Access to Practical Nursing
- Administrative Studies
- Adventure Tourism Business Operations
- Automotive Service Technician
- Business Administration
- Carpentry
- Certified Dental Assistant
- Child, Youth and Family Studies
- Computer and Web Specialist
- Culinary Arts (Cook Training)
- Early Childhood Education
- Education Assistant
- English Language Training (ESL)
- Environmental Studies
- Fine Arts
- Fire Services
- Global Studies
- Hairdressing
- Health Care Assistant
- Heavy Duty Mechanics

- Human Kinetics
- Human Service Worker
- Mountain Adventure Skills Training
- Network Support Technician
- Office Administration Program
- Practical Nursing
- Technical Trades (Electrical, Plumbing, Welding)
- Timber Framing
- Tourism and Recreation Management
- Psychology
- Anthropology
- Economics
- English
- Fine Arts
- Geography
- History
- Philosophy
- Political Science
- Sociology

POSTGRADUATE DIPLOMA PROGRAMS:

- Global Studies

Tuition Fees: \$8,800 (2 semesters)

Accommodation and meals: \$600/month.

CENTENNIAL COLLEGE

Centennial College is the oldest publicly funded college in Ontario, established in 1966. It is located in an exciting and Multicultural city, Toronto having over 16,000 full-time students of which 5000 are International students from over 80 countries. Centennial College has a record of exemplary teaching, innovative programming and extensive partnership building. It offers more than 95 full-time diploma, certificate, degree and postgraduate choices. In addition to its own rich program offerings, Centennial College has formed strategic partnerships with universities such as the University of Toronto, York University, Ryerson University and many more. Transferring to world class universities has never been easier. After successful completion of any full time program at Centennial College, students are eligible for an open work permit for up to three years.

DEGREE PROGRAMS;

- Computer and Communication Networks
- Software Systems Design
- Nursing - BScN

CERTIFICATE AND DIPLOMA PROGRAMS;

- English for Academic Purposes
- English Language Learning
- General Arts and Science - Art Program
- General Arts and Science - Science Program
- Accounting Clerk - Microcomputer
- Business
- Business - Accounting
- Business Administration - Entrepreneurship
- Business - Finance

- Esthetician
- Massage Therapy
- Personal Support Worker
- Practical Nursing
- Practical Nursing (Flexible)
- Architectural Technician
- Architectural Technology
- Biomedical Engineering Technology
- Biotechnology Technician - Industrial Microbiology
- Biotechnology Technologist - Industrial Microbiology
- Computer Repair and Maintenance
- Computer Systems Technician - Networking
- Computer System Technology - Networking
- Electrical Engineering Technician
- Electronics Engineering Technician
- Electronics Engineering Technology
- Electro-Mechanical Engineering Technician - Automation and Robotics
- Electro-Mechanical Engineering Technology - Automation and Robotics
- Energy Systems Engineering Technician
- Energy Systems Engineering Technology
- Environmental Protection Technician
- Environmental Protection Technology
- Food Science Technology
- Health Informatics Technology
- Mechanical Engineering Technician - Design
- Mechanical Engineering Technology - Design
- Mechanical Engineering Technology - Industrial
- Medical Laboratory Technician
- Software Engineering Technician
- Software Engineering Technology
- Software Engineering Technology - Interactive Gaming
- Baking - Commercial Bakeries
- Culinary Management - International
- Hospitality Management - Hotel and Resort
- Hospitality Management - Restaurant and Catering Hospitality Operations - Kitchen Management
- Hospitality and Tourism Administration
- Tourism Management - Cultural and Heritage Tourism
- Tourism and Travel
- Auto Body Repair Techniques
- Aviation Technician - Aircraft Maintenance
- Aviation Technician - Avionics Maintenance
- Motive Power Technician (Admin & Technical)
- Motorcycle Powersports and Product Repair Techniques
- Professional Pilot Training

POSTGRADUATE;

- Financial Planning
- Global Business Management
- Human Resources Management
- International Business Management
- Logistics Management
- Marketing - Research and Analytics
- Marketing - Sales and Account Management
- Paralegal
- Payroll Management
- Project Management
- Strategic Management
- Strategic Management - Accounting
- Advertising - Account Management

- Advertising - Media Management
- Book and Magazine Publishing
- Children's Entertainment: Writing, Production and Management
- Corporate Communications and Public Relations
- Interactive Digital Media
- Journalism
- Sports Journalism
- Bridging to University Nursing (IEN)
- Workplace Wellness and Health Promotion
- Construction Management
- Medical Robotics and Automation
- Culture and Heritage Site Management
- Event Management - Festival and Conferences
- Hotel, Resort and Restaurant Management

Tuition: \$12,500 for Certificate and Diploma Courses while degree courses will be \$16,475

Books: Between \$500-\$1000

Residence: \$4710 (Double Occupancy), \$7,300 (Single Occupancy).

Meal Plan: \$995

N.B- To study in Centennial College, you will have to have A's and B's in Maths and English for undergraduate courses and must have a minimum of a second class lower for Postgraduate programs.

LAURENTIAN UNIVERSITY

Laurentian University, which was incorporated on March 28, 1960, is a mid-sized bilingual university in Greater Sudbury, Ontario, Canada. With more than 175 undergraduate and graduate programs, Laurentian raises the bar with top-ranked programs that have garnered national and international attention.

The university has strong ties with the mining industry, being one of the few schools in Canada offering mining engineering, and the only Canadian university located in a city where the major industry is mining.

UNDERGRADUATE PROGRAMS;

- | | |
|--------------------------------|--|
| • Ancient Studies (BA) | • History (BA) |
| • Anthropology (BA) | • Indigenous Studies (BA) |
| • Classical Studies (BA) | • Labour Studies (BA) |

- Social Work (BSW)
- Anthropology (B.Sc.)
- Behavioural Neuroscience (B.Sc.)
- Biochemistry (B.Sc.)
- Biology (B.Sc.)
- Biomedical Biology
- Conservation and Restoration Ecology
- Terrestrial and Aquatic Ecology
- Zoology
- Biomedical Physics (B.Sc.)
- Chemistry (B.Sc.)
- Computer Science, Coop (B.Sc. & B.Co.Sc.)
- Earth Sciences (B.Sc.)
 - Earth Science
 - Environmental Geoscience
- Engineering (B.Eng.)
 - Chemical (co-op)
 - Civil (first 2 years)
 - Mechanical (co-op)
 - Mining (co-op)
- Environmental Science (B.Sc.)
- Forensic Science (B.Sc.)
- Liberal Science (B.Sc.)
- Mathematics (B.Sc.)
- Physics (B.Sc.)
- Psychology (B.Sc.)
- Radiation Therapy (B.Sc.)

MASTERS DEGREES:

- Applied Sociology
- Biology
- MBA- Business Administration
- Chemical Sciences
- Computational Sciences
- Geology
- History
- Human Development
- Human Kinetics
- Humanities
- Mineral Resources Engineering
- Nursing
- Physics
- Psychology
- Social Work
- Sociology

Tuition Fees: From \$16,000 to \$18,000 (Depending on the course).

Accommodation: Approximately \$6,000 per year

SAULT COLLEGE

Sault College (also referred to as Sault College of Applied Arts and Technology) is one of 24 publicly funded colleges in Ontario. It is located in Sault Ste. Marie, Ontario and began in 1965. Whatever your educational goals, Sault College is dedicated to satisfying your learning needs. With enthusiastic staff, small class sizes and a student-to-faculty ratio lower than the provincial average, Sault College students learn in a supportive environment.

Graduating from Sault College opens up a world of opportunities; you now have a great qualification that will put you in high demand in the labour force. But, if you are still looking to go further in your studies, Sault College offers many transfer options to universities to finish degree

programs. Students graduate with a degree in less time, with less debt, two qualifications and the practical experience that makes College graduates stand out to employers.

UNDERGRADUATE COURSES;

- Aircraft Structural Repair Technician
- Business – Accounting
- Office Administration – Executive (Accelerated)
- Child and Youth Worker
- Early Childhood Education
- Peace and Conflict Studies
- Social Services Worker
- Culinary Management
- Culinary Skills – Chef Training
- Hospitality Management – Hotel and Resort (Co-op)
- Hospitality Operations – Food and Beverage
- Civil Engineering Technician (Co-op)
- Construction Carpentry Techniques
- Electrical Engineering Technician – Power Generation
- Electrical Engineering Technician – Process Automation
- Electrical Engineering Technician – Process Automation and
- Home Inspection Technician (Co-op)
- Mechanical Engineering Technician – Manufacturing
- Mechanical Techniques – Industrial Maintenance (Millwright)
- Mechanical Techniques – Machine Shop
- Metal Fabrication Technician
- Pre-Trades and Technology
- Welding Techniques
- General Arts & Science – Arts Stream
- General Arts and Science – Liberal Studies
- Occupational Therapist Assistant and Physiotherapist Assistant
- Pharmacy Technician
- Practical Nursing
- Pre-Health Sciences
- Computer Programmer
- Geographic Information Systems – (GIS) Applications
- Protection, Security and Investigation
- Police Foundations
- Digital Film Production
- Digital Photography and Imaging
- Graphic Design
- Video Game Art
- Adventure Recreation and Parks Technician (Co-op)
- Fish and Wildlife Conservation Technician (Co-op)
- Forest Conservation Technician (Co-op)
- Natural Environment Technician Conservation and Management (Co-op)
- Natural Environment Technologist Conservation and Management (Co-op)
- Natural Resource/Environmental Law – Inspection and Enforcement (Post-Graduate)
- Two-year College diploma or University degree in a related field
- Motive Power Technician – Advanced

POSTGRADUATE DIPLOMA PROGRAMS:

- Business
- Public Relations
- GIS

Tuition Fees: \$13,250

Residence and Meal Plan: \$7,000

SENECA COLLEGE

Seneca College of Applied Arts and Technology is a post-secondary educational institution in Toronto, Ontario offering programs at the baccalaureate, diploma, certificate and post-graduate levels.

When Seneca opened its doors in 1967, the College's mission was focused on one thing—student success—and more than 40 years later this goal is still at the heart of everything Seneca does. With ten campuses across the Greater Toronto area, Seneca offers degrees, diplomas and graduate certificates renowned for their quality and respected by employers. Every year more than 18,000 full-time students come to Seneca and begin a new chapter in their lives. Seneca is a journey of discovery and learning, and when our students graduate they are prepared for the challenge of further education or beginning their careers. They have the tools to succeed.

UNDERGRADUATE PROGRAMS;

- Bachelor of Aviation Technology (Co-op)
- Bachelor of Child Development (Co-op)
- Bachelor of Interdisciplinary Studies
- Bachelor of Therapeutic Recreation
- Bachelor of Commerce - Financial Services Management
- Bachelor of Commerce - Human Resources Strategy and Technology
- Bachelor of Commerce - International Accounting and Finance
- Bachelor of Commerce - International Business Management
- Bachelor of Commerce - Business Management
- Bachelor of Applied Technology - Informatics and Security
- Bachelor of Applied Technology - Software Development
- Collaborative Bachelor of Science in Nursing with York University
- Accounting
- Accounting and Payroll
- Acting for Camera and Voice
- Aviation Operations
- Broadcasting - Radio
- Broadcasting - Television
- Building Systems Engineering Technician
- Business - Insurance
- Business - Marketing
- Chemical Laboratory Technician
- Civil Engineering-Technician
- Computer Networking and Technical Support
- Computer Programmer
- Cosmetic Techniques and Management
- Court and Tribunal Administration
- Creative Advertising
- Digital Media Arts
- Early Childhood Education
- Electronics Engineering Technician - Broadband Cable
- Electronics Engineering Technician - Communications
- Electronics Engineering Technician - Computers
- Esthetician
- Environmental Landscape Management
- Environmental Technician
- Event and Media Production (formerly Corporate Media Production)
- Fashion Business
- Financial Services - Client Services
- Fire Protection Engineering Technician
- General Business
- Hospitality Management- Hotel and Restaurant
- Independent Digital Photography
- Independent Illustration
- International Business

- International Transportation and Customs
- Journalism Broadcast
- Law Clerk
- Liberal Arts
- Library and Information Technician
- Mechanical Engineering Technician-Tool Design
- Opticianry
- Paralegal
- Police Foundations
- Public Administration - Municipal
- Practical Nursing
- Real Property Administration (Assessment and Appraisal)
- Recreation Facility Management
- Social Service Worker
- Social Service Worker - Gerontology
- Social Service Worker - Working with Immigrants and Refugees
- Tourism and Travel
- Tourism and Travel - Eco Adventure and Niche Travel Tourism
- Tourism and Travel - Flight Services Option
- Tourism and Travel - International Tourism and Inbound Market Option
- Tourism and Travel - Leisure and Corporate Travel Option
- Tourism and Travel - Meeting, Conventions and Conferences Specialization)
- Veterinary Technician
- Visual Merchandising Arts

POSTGRADUATE DIPLOMA PROGRAMS:

- 3D Animation
- Advanced Investigations and Enforcement
- Applied Electronics Design - (Optional Co-op)
- Bioinformatics
- Brand Management - (Optional Co-op)
- Corporate Communications
- Corporate Communications - (Co-op)
- Database Application Developer - (Optional Co-op)
- Energy Management - Built Environment
- Event Management - Event and Exhibit Design
- Event Marketing - Sports, Entertainment, Arts - (Optional Co-op)
- Financial Services Compliance Administration
- Financial Services Practitioner
- Fraud Examination and Forensic Accounting
- Game Art and Animation
- Global Logistics and Supply Chain Management
- Green Business Management
- Human Resources Management - (Optional Co-op)
- International Business Management
- Marketing Management - (Optional Co-op)
- Nonprofit Leadership and Management
- Pharmaceutical Regulatory Affairs and Quality Operations - (Co-op)
- Professional Accounting Practice
- Project Management - Environmental
- Project Management - Information Technology - (optional co-op)
- Public Administration - (Optional Co-op)
- Social Media
- Technical Communication - (Co-op)
- Urban Land Regeneration
- Visual Effects for Film and Television

Tuition Fees: \$13,000 Approximately, while the degree programs are approximately \$17,000 per year.

Accommodation: From \$450 per month (Homestay), while residence will be between \$4,000 to \$6,500 per academic year.

N.B- Meals are separate. They will be between \$400 to \$550 per month.

Fanshawe College is one of the largest colleges in Ontario, Canada. The main campus is in London, Ontario, with additional campuses in Simcoe, St. Thomas, Woodstock, and Tillsonburg. They have celebrated more than 40 years of academic success with a population of 15,000 full time students and 1,000 international students from more than 60 countries. Fanshawe College are constantly upgrading their technology and curriculum to ensure that students get the skills and experience that employers are looking for. In fact, employers keep coming to Fanshawe College for co-op and on-campus recruiting, competing to hire Fanshawe grads for jobs before someone else does. With Fanshawe's Career Services, students will get access to job search consultations, information, and on-campus recruiting both while you're a student and after you graduate.

UNDERGRADUATE PROGRAMS:

Bachelor courses:

- Bachelor of Applied Arts
- Early Childhood Leadership
- Bachelor of Applied Arts - Integrated Land Planning Technologies
- Bachelor of Applied Technology
- Biotechnology
- Bachelor of Interior Design
- Contemporary Media: Theory and Production (diploma + degree Brock Univ.)
- Media Theory and Production (diploma + degree UWO)
- Nursing (BScN degree)

Certificate, Diploma and Advanced diploma courses;

Environmental Technology	Business - Marketing
Science Laboratory Technology	Business - Pay Roll & Book Keeping
Fashion Design	Business-Purchasing
Fine Art	Business - Finance
Graphic Design	Law Clerk
Landscape Design	Office Administration - Executive
Fashion Merchandising	Office Administration - Medical
GIS and Urban Planning	Business Foundations
Horticulture Technician	Customer Service Fundamentals -Insurance
Interior Decorating	Entrepreneurship
Hair Stylist	Office Administration - General
Fine Art Foundation	Computer Programmer Analyst
Architectural Technology	Computer Systems Technology
Civil Engineering Technology	Computer Systems Technician
Construction Engineering Technology (Management)	Internet Applications and Web Development
Construction Engineering Technician	Broadcasting - Radio
- Supervisor	Broadcasting-Television
Construction Carpentry Techniques	Interactive Media Design and Production
Business Administration - Accounting	Journalism - Broadcast
Business Administration	Music Industry Arts
- Human Resources	Photography
Business Administration	Theatre Arts
- Leadership and Management	Theatre Arts -Technical Production
Business Administration - Marketing	Electrical Engineering Technology
Business	Electronics Engineering Technology
Business - Accounting	Electrical Engineering Technician
Business - Entrepreneurship and Management	Electromechanical Engineering Technician
Business-Insurance	Electrical Techniques Electronics Engineering

Technician
 - Industrial Controls - Re-Newable Energies
 Technician
 Medical Radiation Technology
 Massage Therapy
 Respiratory Therapy
 Fitness and Health Promotion
 Paramedic
 Pharmacy Technician
 Practical Nursing
 Dental Assisting (Levels I and II)
 Pre-Health Science
 Child and Youth Worker
 Developmental Services Worker

- Geographic Information Systems (GIS)
- Technical Costume Studies
- Autism and Behavioural Science
- Child and Youth Worker (Fast Track)
- Developmental Services Worker (Fast Track)
- Early Childhood Education (Fast Track)
- Magnetic Resonance Imaging
- Social Service Worker (Fast Track)
- Artisanal Culinary Arts
- Concierge Services - Guest Relations Specialist
- Game Development - Advanced Programming
- Information Security Management
- Paralegal
- Practical Elements of Mechanical Engineering

Tuition Fees: From \$13,623 to \$14,223

On campus Accommodation + Mandatory Meal plan: \$7,104 or \$5,576 without meals.

N.B- Half of the fees is required before you can get the Admission Letter.

FLEMING COLLEGE

Fleming College, also known as Sir Sandford Fleming College, is a College of Applied Arts and Technology in Peterborough, Ontario, Canada. The College has more than 6,000 full-time and 10,000 part-time students and 58,000 alumni.

UNDERGRADUATE PROGRAMS

- Academic Upgrading
- Applied and Community-Based Research
- Aquaculture
- Arboriculture Co-op
- Artist Blacksmith
- Biotechnology - Advanced (formerly Biotechnology Technologist - Forensics)
- Blasting Techniques
- Business
- Business Administration
- Business Administration - Accounting
- Business Administration - Human Resources Management
- Business Administration - Marketing
- Carpenter - General Apprentice (Advanced)
- Carpenter - General Apprentice (Basic)
- Carpenter - General Apprentice (Intermediate)
- Ceramics
- Chef Training
- Child and Youth Worker
- Collections Conservation and Management
- Community and Justice Services
- Community Integration Through Cooperative Education
- Computer Engineering Technician
- Computer Engineering Technology
- Computer Security and Investigations
- Conservation and Environmental Law Enforcement
- Construction Skills
- Culinary Management
- Culinary Management Dual Diploma Apprenticeship
- Cultural Heritage Conservation and Management
- Customs Border Services (Law & Security Administration)
- Developmental Services Worker
- Digital Image Design
- Drug and Alcohol Counsellor
- Early Childhood Education
- Earth Resources Technician Co-op
- Ecological Restoration Honours B.Sc. - Joint Trent-Fleming Degree/Diploma
- Ecosystem Management Technician
- Ecosystem Management Technology
- Ecosystem Management Technology - Advanced Standing
- Educational Support (formerly Educational Assistant)
- Educational Support - Advanced Standing
- Electrical Engineering Technician
- Electrical Power Generation Technician
- Electrical Techniques
- Electrician Apprentice (Advanced)
- Electrician Apprentice (Basic)
- Electrician Apprentice (Intermediate)
- Emergency Management
- Environmental Technician
- Environmental Technician - Advanced Standing
- Environmental Technology
- Environmental Visual Communication
- Esthetician
- Expressive Arts
- Fibre Arts
- Fire Systems Engineering Technician
- Fish and Wildlife Technician
- Fish and Wildlife Technology
- Fitness and Health Promotion
- Forestry Technician
- General Arts and Science - College Health Science Option
- General Arts and Science - College Transfer
- General Arts and Science - Environmental and Natural Resource Studies Option
- General Arts and Science - University Science Preparation
- General Arts and Science - University Transfer
- Geographic Information Systems - Applications Specialist
- Geographic Information Systems - Cartographic Specialist
- Glassblowing
- Health Information Management
- Heating, Refrigeration and Air Conditioning
- Heavy Equipment Operator
- Heavy Equipment Techniques
- Hospitality Administration - Hotel and Resort
- Hotel & Restaurant Management
- Human Services Foundation
- Instrumentation and Control Engineering Technician

- Business Accounting
- Business Administration
- Business Administration- Accounting
- Business Fundamentals
- Public Relations
- Child and Youth Worker
- Developmental Services Worker
- Early Childhood Education
- Social Work Service
- Animation
- Art and Design Fundamentals
- Graphic Design
- Music-Performance
- Theatre Arts- Technical Production
- Chemical Engineering Technology-Lab and Process control
- Civil Engineering Technician
- Civil Engineering Technology
- Computer Systems Technology
- Mining Engineering Technician
- Mining Engineering Technology
- Network Technician
- Energy Systems TECHNOLOGY
- Wind Turbine Technician
- Pre-Health Sciences
- Pre-Trades/Technology
- Medical Radiation Technology
- Paramedic
- Pre-Service Firefighter Education and Training
- Personal Support worker
- Physical fitness Management
- Practical Nursing
- Community and Justice Services
- Corporate Safety and security
- Law and security Administration
- Police Foundations
- Carpentry renovation Techniques
- Electrical Techniques
- Electrical Engineering Technician-Industrial
- Electrical Engineering Technology-Industrial
- Heat Ventilation and Air Conditioning Techniques
- Heavy Equipment Techniques
- Heavy Equipment Technician
- Industrial Mechanical Millwright Techniques
- Industrial Mechanical Millwright Technician
- Instrumental Engineering Technician
- Motive Power Technician-Service and Management
- Power Engineering Techniques
- Power Engineering Technician
- Power Engineering Technology
- Powerline Technician
- Welding and Fabrication Technician

POSTGRADUATE DIPLOMA PROGRAMS:

- IT Business Analyst (3 Semesters)
- Environmental Monitoring and Impact assessment (3 Semesters).
- Human Resources Management (3 Semesters)
- Magnetic Resonance Imaging (2 Semesters)
- Public Relations (2 Semesters)
- Organization Management (2 Semesters)
- Sustainable Business Management (2 Semesters)
